### Now we know why Phil Spector wore those wacky wigs ...

Jeepers.

Convicted murderer **Phil Spector** looks like the Crypt Keeper in his official prison mugshot without any of his trademark shag and Afro wigs.

Apparently, the prison officials would not let him wear a wig in prison.

Lord only knows what one could hide in those ratty things.

Frankly, if I looked like this, i might want to shoot people too.

What do you think?

Wow... and to think, he considered that Afro wig an 'improvement'. LOL

Somewhere, Ronnie Spector is looking at that mugshot... and is laughing herself silly... and breathing a sigh of relief that she escaped his clutches when she did.
